7 Equipped with a storage drawer, this table that stands on wheels can function as a coffee table or a mini work station. You can even stack up plenty of magazines on its bottom platform.
Featuring Studio Coffee Table, S\$255.73, from Comfort Design

10 Capitalise on storage space with a bedframe that comes with drawer compartments, or work in hidden storage under raised platforms.
Featuring Lusienna with Drawer, from S\$2,539, from Simmons

8 Attract curious eyes with a seemingly floating library of books! The Self Shelf is actually a fake book that can be securely attached to the wall, and is strong enough to withhold substantial weight.
Featuring SelfShelf, US\$47.50, from www.dutchbydesign.com

9 Store books, display ornaments and practically anything with an alternative storage unit that can be stacked and configured as you prefer. Best of all, it allows light to flow through and doesn't enclose your space.
Featuring Desalto Fluid Storage Unit, from S\$363.80, from XTRA

11 Unassumingly simple yet innovative, this towel ladder that leans against the wall does without drilling a ladder or bar in place. Made from sturdy chrome or nickel satin, it's a convenient addition to any bathroom.
Featuring Décor Walther Towel Ladder, S\$1,321, from Interior Affairs
